Cu Chi Tunnels & Saigon City Tour (L)

Duration: Full Day

Start/End: Saigon/Saigon

Pick up at hotel in Ho Chi Minh City, we will take 50-KM drive to Cu Chi Tunnels – the Iron land of the Southern Vietnam where Vietnamese lived and fought during the American War. On arrival, we will explore the maze of tunnels which is the location of military campaigns during wars. Some of the tunnels have been widened to allow tourist access. We will also see the remains of an American tank as well as numerous bomb craters made by 500lb bombs dropped by B52 bombers.

Return to the city centre for lunch, after lunch, we will visit some of the must-see sites in the city such as the Reunification Palace, the palace of Old President in Southern Vietnam during the American War, the Notre Dame Cathedral and Old Post Office with masterpieces of French architecture. We will finish our day with a free time for shopping at the huge Ben Thanh market. Tour ends at our hotel.
